The Parish Spotlight ~ Newly Ordained Priest ~ Father Andrew Boyd

Father Andrew Boyd grew up in Erie, PA and attended Our Lady of Mount Carmel Elementary School. He attended Cathedral Prep where he was involved in Campus Ministry and Jazz Band. He has played the saxophone since fourth grade and he was in the Cathedral Prep Jazz Band for all four years at Prep: "Jazz is a major part of my creativity. I think it allows me to better understand creativity in others and gives me a foundation for [creative] conversation." He enjoys learning about technology and he wears the title of Geek proudly: "My love of technology and the Web began when I learned I could make my own web server on my computer."

For as long as he can remember, he has always wanted to be a priest: "When I was a child, I remember telling my associate pastor, Monsignor Joseph Reszkowski, about how I wanted to be a priest. He told me that I would be a priest when he was in heaven. Monsignor Joe was a very important person in my vocation story. I believe he was a role model of priesthood for me and gave me the confidence to move forward as willingly as he did. My grandmother is a major role in my vocation discernment. She is always someone who I know I could talk to about my calling to the priesthood, and she always gives me the best encouragement! Throughout my time in grade school and high school, I felt a stronger and stronger call to the priesthood. During my time at Cathedral Prep, I began the application process to the seminary for the Diocese of Erie. I was accepted to attend Saint Mark Seminary to strengthen my discernment to the Priesthood."

"On the night before I moved into the seminary, my aunt told me a story about my great-grandmother. On the day I was born, my great-grandmother visited my mom and me in the hospital. After her visit, she told my aunt "he is going to be a priest." I never knew that story before that day. Now I keep that story in the back of my mind and he remind myself often that there was something special that my great-grandmother would have said that. She normally didn't say things like that, and my aunt never told anyone else that either."

When he started at Gannon University and St. Mark's, he was originally a computer science major, but with the work load causing conflicts with the seminary schedule, he switched to a Philosophy major. In the Spring of 2014, he completed his Bachelor of Arts in Philosophy degree. He also received his assignment to major seminary and began his studies at St. Vincent Seminary in Latrobe, PA in Fall of 2014. He was assigned for the summers of 2016 and 2017 and the 2017-18 school year to Saints Cosmas & Damian Roman Catholic Parish and School in Punxsutawney, PA.

On April 22, 2017, he was ordained to the Transitional Diaconate and he continued his studies at St. Vincent Seminary until graduation on May 11, 2018, when he received his Master of Divinity. His Ordination to the Priesthood for the Diocese of Erie was on June 8, 2018.
