Child Abuse Prevention Month

Child Abuse Prevention Month: Be Vigilant: It is vitally important that we are constantly vigilant concerning the behaviors of those who interact with children and communicating our concerns to the appropriate parties. Each one of us can play an important role in strengthening this culture of prevention. For example, we can better prevent abuse by ensuring that the signs of abuse are identified and reported. Noticing these warning signs, taking them seriously, and reporting them could prevent abuse in the future. When we witness inappropriate behavior or something that just doesn't seem quite right, we must report our concerns through the appropriate channels. In the Diocese of Erie for particular questions, you may call the Office for the Protection of Children and Youth at 814-824-1195.

"Behold, the Lamb of God, who takes away the sin of the world."
