The fruits of our labors are not always seen in our lifetimes.

Faith is not conditional on seeing results. Faith is a radical trust in what is unseen. It requires vigilance and self-investment. It requires our attention even when our efforts don't bear fruit or are unappreciated or unrecognized. A person who is open to accepting God's presence however it comes, and is willing to share the love received with others is a true inspiration. Good works will flow from this vigilant depth of faith. It will be directed where it is most needed and detached from the need for recognition or gratitude.

Faith exercised in secret is the most profound expression of faith and a testament of true love for our Creator. No one needs to know the humility, generosity, and goodness of our hearts, only God.

Standing erect and watchful, we are prepared to receive the gift of Divine Love and freely share it with others, without recognition or self-benefit. ©LPI

REFLECT ON TODAY'S READINGS

FIRST READING WIS 18:6-9

Our wisdom writer speaks of the importance of trust in God's divine providence. How do you know that God has provided for you?

SECOND READING HEB 11:1-2, 8-19

The author of Hebrews defines faith as "the realization of what is hoped for and evidence of things not seen." He then cites Abraham as the model of faith in terms of his obedience, trust, and courage. When have you had to completely trust in the Lord?

GOSPEL READING LK 12:32-48

In today's Gospel reading, Jesus teaches the disciples about being vigilant and faithful with the gifts God has given us as we await the end times and return of Jesus. How well do you think you are stewarding the gifts God has given you?

NCYC The families going to NCYC 2022 are continuing to raise funds for their journey. Any extra funds earned will go directly toward youth field trips and/or next year's NCYC trip.

There will be 50/50's sold after all Masses starting now and running until the Parish Picnic on 8/21 when we will pull the winner!

Other things that the youth will do at the Parish Picnic will include a bake sale and the beginning of a shirt sale! Lots of planning is going into these fundraisers and the NCYC team of families appreciate your support and prayers!

Bake Sale

A Family Perspective

In today's gospel a servant WAITED for the master to return. Waiting is a normal part of family life. We wait for a child's birth, then for small legs to catch up. Later we wait for teenagers to return home safely. Finally we wait alone anticipating a call or visit from an adult child. Waiting is sacred time, for even in the waiting we are connected.

It's been a hot summer for most of us. Heat, politics, war, family squabbles, etc. can take a toll on our emotional and physical health. Why not take a break, aka a "home vacation." Take an evening, or maybe just an hour, to do something frivolous as a family this weekend.
