## The Regular Collection

For October 13th was \$2,860.25, which includes \$735.00 from online giving. Thank you.

## Today is World Mission Sunday.

We celebrate this day by remembering our baptismal call—to bring the Gospel to all! The collection today for the Society for the Propagation of the Faith ensures the work and service of the Mission Church, as it supports priests, religious and lay leaders who offer the Lord's mercy and concrete help to the most vulnerable communities in the Pope's missions. Thank you for your generosity.

Next weekend's 2nd Collection is for the Waterford and Summit Food Pantries.

## It's time to think about snow removal for the All Saints sidewalks!

Fr. Greg is willing to make this a paid position for someone who would be willing to shovel and use the parish snowblower this winter. This includes before 8:00 AM Mass on weekday mornings and before Mass on Saturdays and Sundays when the weather dictates. Can you or someone you know help us out? Contact Fr. Greg.

## Rite of Christian Initiation of Adults

RCIA is the informative and comfortable way for adults seeking answers in their lives to discover more about the Catholic Church and our faith. Leave your name with Fr. Greg or call the parish office if you are interested in learning more.

## JUST SAYING -

### DIGNITY OF WORK

The economy must serve people, not the other way around. Work is more than a way to make a living; it is a form of continuing participation in God's creation. To uphold the dignity of work, the basic rights of workers must be respected — the right to productive work, to fair and livable wages, and to organize and join a union.

### RIGHTS AND RESPONSIBILITIES

Every person has a fundamental right to life — the right that makes all other rights possible. Each person also has a right to the conditions for living a decent life — food, health care, housing, education and employment. We have a corresponding duty to secure and respect these rights for others and to fulfill our responsibilities to our families, to each other and to our larger society.

## Fundraiser for the National Catholic Youth Conference

In November, seven of our parishioners will be part of the larger 100+ person delegation from the Diocese of Erie who will be attending. The NCYC is a great experience for youth because it allows them to meet thousands of other Catholic youth from around the country at the largest gathering of Catholic youth anywhere in the U.S!

More than 25,000 attendees celebrate their Catholic faith as they share in daily Mass, talks, and workshops on faith, and participate in safe, fun activities during the conference. It costs \$300.00 for each person to attend and we're asking for your help.

During the weekends of November 2-3 and 9-10 the participants will be collecting donations after Mass to offset the cost of the trip. Please consider supporting this wonderful youth event! Thank you!

**Thank you to all of the parishioners who came out last Sunday to help our children learn about how our palms become ashes.**

**We had a beautiful morning and were able to pray the rosary outside in the sunshine and enjoy the church grounds!**

### A Family Perspective

The widow in today's gospel is praised for her PERSEVERANCE. In our homes perseverance is a critical ingredient to resolving differences in marriage, and teaching lessons and skills to children. Perseverance is always an act of faith and trust in the goodness of the other person.

### Child Protection and Creating Safe Environments- Bullying Prevention Month:

Relational bullying is unwarranted, persistent, unwelcome behavior in the form of criticism, isolation, or fabricated allegations that can damage relationships. Examples include social exclusion ("You can't be with us"), spreading rumors ("Did you hear...?"), and withholding friendship ("I won't be your friend if you..."). Though relational bullying can often seem ambiguous to outside observers and often garners less attention than physical bullying or verbal bullying, it should not be discounted simply as normal, adolescent behavior. In fact, several recent studies suggest relational bullying is more strongly related to emotional distress and teen depression than any other form of bullying. To see what the Diocese of Erie is doing to help maintain safe environments, visit <https://www.eriecd.org/childprotection/>
