My thanks to all of you who came and participated in our liturgies. To our parish family be assured of my prayers.

JUST SAYING - CATECHISM

A catechism is the name given to a written work that contains a summary of all the beliefs of the faith that is used as a teaching tool.

Until the second half of the twentieth century, for millions of Catholics in the United States the word catechism meant the *Baltimore Catechism*, which originated at the Third Plenary Council of Baltimore in 1884 when the bishops of the United States decided to publish a national catechism. The *Baltimore Catechism* contained 421 questions and answers in thirty-seven chapters and gave unity to the teaching and understanding of the faith for millions of American Catholics. Its impact was felt right up to the dawn of the Second Vatican Council in 1962.

At that time, Blessed John XXIII articulated a vision for the Fathers of the Second Vatican Council that charged them to guard and present more effectively the deposit of Christian doctrine in order to make it more accessible to the Christian faithful and all people of goodwill in the contemporary world. Eventually, it became clear that the development of a new universal catechism would be beneficial, especially since the Church has grown and the world has changed significantly since 1566.

In 1985, at a synod of bishops in Rome convened to celebrate the twentieth anniversary of the conclusion of the Second Vatican Council, a proposal to develop a universal catechism for the Catholic Church was made and accepted. The outcome was the *Catechism of the Catholic Church*, first published in 1992. A new edition with some modifications was released in 1997.

The *Catechism of the Catholic Church* is arranged in four parts:

- The Profession of Faith
- The Celebration of the Christian Mystery
- Life in Christ
- Christian Prayer

Child Protection and Creating Safe Environments - April is Child Abuse Prevention Month.

It is most appropriate that Child Abuse Prevention Month is held during the Easter season. There is no better time than Easter to celebrate the protection of our most valuable gift from God – our children. For information on what the Diocese of Erie is doing, and what you can do to become more informed and involved in keeping our children safe visit <https://www.erieecd.org/childprotection/>

A Family Perspective

Millions of Christians around the world celebrate the Resurrection today. It all began simply on the first Easter with one person telling another: “Mary told Peter” and “they believed.” Faith is passed one person to another; it is caught, not taught and parents are the most effective persons to pass faith to their children.

Come celebrate the season of Easter in the Church and end the Religious Education Year!

Disability Ministry

Chances are that you or someone you know has a disability. Today in the United States 1 in 5 Americans has a disability. Sometimes we can see differences; a hearing aid, a guide dog, a cane or wheelchair. But often, a disability is not seen; autism. Mental illness, a learning disability. We all struggle with life. But we can ALL Love. We ALL have gifts and can share those gifts to serve God. Our parishes and diocese are alive when we ALL Celebrate together! For more information about supports for persons with disabilities please contact Michele Inter at 814-824-1257 or minter@eriecd.org
