**HOPE TO SEE EVERYONE AT THE PICNIC!**

There is a "great cloud of witnesses" found in the official saints of the church and in ordinary people we meet every day. They are faith-filled inspirations who, by their example, help us to persevere in our faith.

Living in a sea of conflict, change, challenge, and confusion, it is easy to grow tired and get weary. With so many things in competition for our attention, it is challenging to keep our eyes fixed on Jesus and the Kingdom of God. We have to keep running the race and continue proclaiming the Good News.

This message is not always welcome. It can cause division, challenge accepted mindsets, ruffle peoples' feathers, and cause some folks to become defensive. *God's ways are not always our ways.* Even though often rejected by the world, the message of God in Jesus Christ must continue to be preached. We can rely on the examples of faith before us and around us and not lose heart. As Jesus endured the voices of opposition, so too can we. ©LPi

## REFLECT ON TODAY'S READINGS

### FIRST READING JER 38:4-6, 8-10

The court official, Ebed-melech, courageously advocated for the prophet Jeremiah, having him rescued from the muddy cistern. When have you defended someone being ridiculed for their faith?

### SECOND READING HEB 12:1-4

The author of Hebrews encourages his community to remain strong in their faith in Jesus. What or who helps you when you feel spiritually discouraged?

### GOSPEL READING LK 12:49-53

Jesus forewarned his disciples that his message would bring division, even within families. How does your family deal with this type of tension?

### A Family Perspective

Today Jesus warns us his Word will create conflict between parents and children. In a permissive society which advocates individualism and consumerism, parents must continue to teach and live the gospel values of respect, service to others, forgiveness, generosity and compassion. A Christian family is a countercultural family.

### Child Protection and Creating Safe Environments

#### Documentation for working with children:

Working alongside the Bishop, the Office for the Protection of Children and Youth reinforces the ongoing implementation of policies and procedures that protect children. All clergy, employees, and volunteers in the Diocese of Erie who work with children must undergo criminal record checks. The diocesan Policy for the Protection of Children and Youth screening guidelines and abuse prevention training programs emphasize the importance of knowing the employees and volunteers who have access to children in our schools and parishes. Parents should remain vigilant in insisting that those with access to their children have gone through an application process and obtained the required clearances and trainings before being granted access to their children.

Visit [www.eriercd.org/childprotection/](http://www.eriercd.org/childprotection/) to see what documentation and training is required for those who work with children and youth in our parishes/schools/agencies.
