JUST SAYING -

https://catholicmobilizing.org/files/attachments/resource/Lent_2018_6_0.pdf

Jesus did not separate himself from the poor, the marginalized, and the mentally ill. He did not treat them as second class. He modeled a different behavior for us, not the “us and them” so-called “justice system” we have accepted in our country—even while knowing that it doesn’t work—not for the victim, not for the offender, and not for the community.

When the victim is allowed to speak and be listened to, and the offender has a chance to accept responsibility, but allowed to explain what happened and why, and when he or she can apologize and offer restitution, what happened is not erased, but a path forward can be opened up that allows healing for all concerned.

I believe that God’s promise to have a new covenant with us, written on our hearts, can only happen if we are open to letting it happen. We cannot be afraid of relationships. Fr. Greg Boyle says that the sin of Dives (the rich man in Luke 16) was not in being rich, but in refusing to be in relationship with Lazarus.

When we accept the dignity of all life, we will understand why the death penalty is contrary to Jesus’ teaching, why we are called to spread awareness of the injustices of our system. If we open ourselves to listening and forming a relationship with people we are afraid of, we can, in good faith, ask for a clean heart, and a steadfast, willing spirit. And we can be ready for the time of judgment, ready to be drawn to Jesus.

New Parish App Download TODAY!

All Saints Parish will launch our own app for iPhone and Android smart phones on March 17 and 18. This will allow us to better communicate with you throughout the week and keep you updated with relevant parish news or updates. The app is very well designed and very intuitive. It will be a great resource for parishioners by providing daily Mass readings, Catholic news and prayers, convenient prayer and Confession reminders, our bulletins and more. We hope for our new app to be a tool for fostering stronger parish life at All Saints and better engaging the New Evangelization.

There will be a **parish social** following each Mass. The team that has been working on the APP will be available for questions during that time.
