"A LITTLE MERCY MAKES THE WORLD LESS COLD AND MORE JUST."
—Pope Francis, Angelus, March 17, 2013

LIVE THE LITURGY - INSPIRATION FOR THE WEEK

Today is all about transformation. The bread and wine is transformed into the body and blood of Christ and we, by partaking in the Eucharist, are also transformed into the body and blood of Christ. St. Augustine issued a wise instruction regarding the Eucharist: "Become what you eat." This is the real challenge of every eucharistic celebration. Will we allow God to transform us into his Son so that the hope, love, healing, comfort, and mercy he embodies can be brought to our world through us? As Jesus feeds us, how can we feed others?

Blessing of Fathers

God and Father of all creation,
we come before you today with humble hearts.

You are our model of a loving father.

When we fail and fall short of your expectations,
you are always there at the end of the day with open arms,
ready to heal the cuts and scrapes of the day
and to encourage us to try again and not to give up.

We hold up these men in our midst who act in the world
as fathers to their children or models of fathers for others.

Bless them in their moments of doubt and frustration with their children.

Give them warm and open hearts to forgive failures.

Provide them with the words needed for
encouragement and perseverance.

We ask all this in the name of Jesus. Amen

"God uses creation to bring us into loving relationship with himself, most notably through the sacraments. We experience this most powerfully in the Eucharist, the true body and blood of Christ, received under the appearance of bread and wine, where 'all that has been created finds its greatest exaltation' (LS 236)."
