Council Chatter:

Question: Why is it so important that we register in a parish? Isn't it good enough that we go to Mass?

Answer: Registration is the official way we join a parish community. Many people think that because they attend a particular parish they automatically belong. At times, young adults who have moved away for years think they are still signed up under their parents. But membership requires signing up, formally enrolling yourself in a parish. Registration is a commitment to a community, a way to be included in the religious, social, and ministerial activities of your parish. Your registration affects the parish in many ways. Census numbers can determine how many priests are assigned to a church, what benefits and obligations the community has to the diocese, and how Masses, Confessions, and devotions are planned and scheduled.

Registration shows you belong. It is also necessary for certain benefits, like scheduling sacraments, obtaining sponsor certificates, and getting donation statements for taxes. Most importantly, it lets the parish count on you, to call on you to assist in its mission. Registering in your parish is a statement of faith and confidence in the life and work of your parish. There is a registration request form on the back of the bulletin.

KNIGHTS KORNER

It's easy to notice during the Christmas season that most readings from the Old and New Testament tell about God's love that either foretell of the vessel that will eventually bear our Savior, or hear comforting words of Mary's interaction with Angels, St. Elizabeth, shepherds, Wise men and Prophetesses. As Knights, and as Catholics, we likewise find comfort in knowing the Mother of God will intercede, and help us from stumbling on our journey if we just simply ask. All are welcome to join us at 6:00pm this Sunday at MTP as we recite the Rosaries to our Mother for intentions that range from world peace to inner peace.
