### LIVE THE LITURGY - INSPIRATION FOR THE WEEK

Jesus tells us, "Come to me, all you who labor and are burdened, and I will give you rest." These words may seem a bit contradictory at first given how hard it can often be to be a disciple and live as Jesus taught. While the Gospel can be difficult, it is never a burden. On another occasion Jesus says of his Father, "It is mercy I desire, not sacrifice." God desires our hearts and when we give him our hearts we become free. We become free of ourselves and discover the joy that comes from serving God and others. We can easily get very rigid in terms of our faith, think that we know better, and place expectations on others that can be more of a burden than a source of new life. Are we willing to be open and learn from Jesus?

**Child Protection and Creating Safe Environments**

**Online Safety Tips for Parents & Kids:**

Parents should consider having internet accounts in their name with parents having the primary screen name, controlling passwords and using blocking and/or filtering devices. Children should not complete a profile for a service provider and children's screen names should be nondescript so as not to identify that the user is a child.
