Ready us to face whatever anguish attends the accomplishment of your will for creation. As you gather your elect from the ends of the earth, count us also among those whose names are written in the book of life. WHOLE COMMUNITY CATECHESIS

VOCATIONS

November is the month dedicated to vocations in the Catholic Church. What does having a vocation mean? It is actually serving God in a special ministry of priesthood or a consecrated life as a sister (nun). God calls you through Baptism and Confirmation in a special way either as a single person or in married life to serve Him. It is important that you follow by praying to know what God is calling you to. This process is called discernment and the best way to know what He is calling you to is through Prayer. Another way to know what God is calling you to is by showing an interest in the priesthood. You should talk to a priest as a spiritual director to help you discern your calling.

PRAYER FOR VOCATIONS

Lord God, creator of all things and source of all gifts and talents, your Son came to this world to fulfill His vocation as the Redeemer of all humanity.

Grant the sons and daughters of the parishes of the Diocese of Erie a profound awareness of their own vocations. Through the inspiration of the Holy Spirit, may they come to realize their distinct place in your divine plan.

Give them the grace to recognize and the courage to pursue vocations as devoted priests, deacons and consecrated woman and men to assist the Diocese of Erie in fulfilling her mission.

With the intercession of Saint Patrick, our patron, who preached the Gospel in word and deed, we pray that they may find happiness and fulfillment in a life of service to others.

We ask this through Christ Our Lord. Amen.

November 2, 2021

Dear Sisters and Brothers in Christ:

On the weekend of November 20-21, a second collection will be taken up in our parishes for the Catholic Campaign for Human Development (CCHD).

As you may know, CCHD is the national anti-poverty program of the U.S. Catholic Bishops which works to break the cycle of poverty by helping people with low income participate in decisions that affect their lives, families, and communities.

Half of the funds from this collection remain in the Diocese of Erie to fight poverty in our local communities. CCHD is a manifestation of our call to a discipleship that fosters a "solidarity which 'would allow all peoples to become the artisans of their destiny'" (*Evangelii Gaudium*, no.190). The Gospel message compels us to assist others in finding creative solutions to poverty, so that we are able to break the cycle of dependence and powerlessness in society.

This work is not possible without the support of dedicated Catholics like you. Your contributions are helping to build more merciful and just communities in the Diocese of Erie and throughout the country. Please consider helping us to uphold human dignity and alleviate poverty by giving generously to the second collection for the Catholic Campaign for Human Development.

Sincerely yours in Christ,

+Lawrence T. Persico

Bishop of Erie

CATHOLIC CAMPAIGN FOR HUMAN DEVELOPMENT WORKING ON THE MARGINS

- **LEARN** about those living in poverty.
- **ACT** and spread the word about poverty by sharing this flier.
- **CONNECT** with the work of CCHD by supporting the collection.
- **PRAY** for those who benefit from this collection.

We all depend on workers in America's meat-processing plants and animal-feeding operations, who are essential to the food supply chain.

Many of them are immigrants facing language barriers that leave them at a disadvantage when they advocate for safe working conditions, just wages, and fair treatment from employers. The Rural Community Workers Alliance (RCWA) in Missouri helps these essential workers by advocating on their behalf for safe working conditions and by promoting gatherings to address racial divisions in the community as a way to help immigrants and nonimmigrants discover similarities and share their experiences.

The COVID-19 pandemic revealed working conditions at a pork-processing plant that placed workers at risk of infection due to shoulder-to-shoulder work areas and a lack of protective gear. Workers brought their concerns to RCWA and ultimately filed a lawsuit demanding that the company follow health and safety guidelines established by the federal government. Even before the court ruled

on the lawsuit, the company took action to protect workers by installing protective barriers, sanitizing stations, providing masks, and conducting temperature checks. When you support CCHD's mission of working on the margins, you help groups such as RCWA advocate for the health and safety of the essential workers that we all depend upon.
