## QUESTION OF THE WEEK

*Suggested text for faith sharing: Today's Gospel*

**Adults** – Using the parable of Jesus in this reading, describe how faith has been planted in your life. How long did it take for that seed to land “on good soil?”

**Youth** – When the sower, in this week's Gospel, sowed his seed, not all of it fell on “good soil.” What can you do in the coming week to make sure that you are open to God in your life? What is getting in the way of your being “good soil?”

**Children** – Who helps you to grow deeper in your faith?

**HELPING HANDS PRAYER:** Creator God, unceasingly at work in the field of humanity sowing the good seed and awaiting its yield, let Your Spirit move in power over us to transform our hearts in the good soil You seek. Then may Your Word bear fruit a hundredfold in our deeds of justice and peace, and thus reveal to a world that eagerly awaits its liberation the blessed hope and glorious freedom of Your reign. We ask this through our Lord Jesus Christ, Your Son, Who lives and reigns with You in the unity of the Holy Spirit, God for ever and ever. Amen.

**CHILD PROTECTION AND CREATING SAFE ENVIRONMENTS—Know the Warning Signs of Abuse:** Those who abuse children look like everyone else. They don't look like scary people that we should know to avoid. Rather, most abusers are known to the child, such as the parent, sibling, parent's paramour, parent's spouse, other relative or babysitter. One of the most important ways to ensure the safety of children in our environments is to know the warning signs of adults who present a risk of harm to children. Among these signs are when the person (1) always wants to be alone with children in areas where no one can monitor the interactions, (2) allows children do things their parents would not permit, (3) is always more excited to be with children than with adults, and (4) discourages others from participating in activities involving kids. **WHOLE COMMUNITY  
CATECHESIS**

**FAITH FORMATION  
2020-2021**

Faith formation for our students and adults will probably be taking on a new form and method for holding our classes and preparing for sacraments. The Erie Diocese is working on methods that would work for each unique parish situation while following the CDC guidelines. The diocesan Faith Formation Team will give us further instructions on which method will work for our parish. There will not be one particular way that will work for all parishes in the diocese and each of the Catholic schools. Each parish's Faith Formation program will need to assess their specific needs for their program and their classroom space, along with implementing new methods of educating our students in the Catholic faith. Our parish will probably be needing more volunteers to teach, monitor, clean, etc. Our parents will need to have a more active involvement with the catechesis of their children. Some possibilities which are currently being evaluated are: home schooling, Zoom classes and virtual teaching. We will be following the guides of the Diocese of Erie, whatever they may be. Of course, all of this is just in the beginning phase of planning, so depending on the status of the pandemic and CDC guidelines, we will do our best to be in compliance with the Diocese. Stay connected with your parish for future updates on our Faith Formation Program.
