

## *Dear SMS Families and Friends,*

In late November, a teacher asked about when to start lessons and decorate for Christmas. I wanted to share my reply with you:

I'd like for you to hold off on Christmas. I really would like for the students to experience Advent this year in a more meaningful way. The Church, in her wisdom, gave us this whole season for a very special reason. It really helps to build up the anticipation and prepare hearts and minds for the true meaning of Christmas: Christ coming on Christmas and preparing for his second coming. Our kids are going to be bombarded with secular Christmas throughout December (and probably already are now!). We don't cultivate silence and patience enough in our modern world, and we so desperately need both.

We want our school to be fundamentally different from what our public-school students are receiving, and keeping the main thing the main thing is where we need to start.

There are fun Advent Saints and traditions that we'll be celebrating throughout Advent: St Nicholas, Our Lady of Guadalupe, St Lucy, our Advent prayer services (all on your December calendar). Let's please save Christmas for the week of December 18.

If you'd like to put up a tree or a manger scene at the beginning of Advent, that is ok - but build it as the weeks go on. Start with a bare tree, just a shepherd figure or the stable, and SLOWLY add to it until the last piece is put on on December 21.

Another thing our society doesn't have quite right is the timing of the Christmas season. It's assumed that the season is the month of December and the 12 days END on Christmas Day. That's actually backwards! Day 1 of Christmas IS Christmas Day. When we return from Christmas/New Year's break, we will still be in the Christmas season. It ends on the Sunday after the Feast of the Epiphany (usually the second Sunday of January). Please: do NOT take down Christmas before it's over, but also let's not jump ahead.

\*I invite you, SMS Families and Friends, to join with us this Advent, in quieting your hearts, minds, and homes - building that anticipation and space in your heart to welcome Jesus in a new way this Christmas!

Are you looking for a way to pray and grow closer to Jesus this Advent? I HIGHLY recommend downloading the Hallow App for a 90 day free trial. I have been using this app close to every day for the past few years and have been so *incredibly* blessed by it! Join me in praying with the Pray25 Advent Challenge - "Pray every day this Advent as we journey through the writings of C.S. Lewis with Liam Neeson and Jonathan Roumie only on Hallow." # See what's happening this December!

## December Jeans Day

Thursday, December 7, is the only Jeans Days in December. The other 2 Thursdays are special dress days. Please follow the dress code in our [handbook](#) for what is permissible for Jeans Days.

## School Masses

Each Friday, a different Saint House provides greeters and gift bearers. For October, the following Houses will serve at Mass:

- December 1: Badano House
- December 8: Frassati House (*This is also the feast of the Immaculate Conception: a Holy Day of Obligation!*)
- December 15: Acutis House
- December 21: Galgani House

Students love when their parents and other family members and friends attend Mass!

## Advent Activities

Each Monday in Advent, our entire student body will gather in the church to light our parish's Advent wreath, sing, pray, and experience the miraculous stories leading up to the birth of Jesus, including the Annunciations to Zechariah and Mary, Mary's Visitation to Elizabeth, Joseph and Mary's journey to Bethlehem, and the great mystery of Jesus' Nativity. The 7<sup>th</sup> Graders serve as actors to bring the stories to life. Featured are Jacob Henry as Zechariah, Mason McEwen as Gabriel, Krystal Williams as Elizabeth, Zariah Klawinski as Mary, and Braeden Sellards as Joseph.

## Mary on the Mantle

Keep an eye on our ClassDojo School Story and our Facebook page to catch glimpses of what Mary might be doing to prepare for the birth of her Son! Using the *Mary on the Mantle* book, program, and dolls from [Be A Heart Designs](#), students will see the Mary doll moving from classroom to classroom, doing such things as setting out the Advent wreath, reading the Bible, cleaning up toys, reading a letter from Elizabeth, putting her feet up, and planning her trip to Bethlehem with Joseph. *Mary on the Mantle* is a fun alternative to *Elf on the Shelf*, putting the emphasis back on the greatest story of all time! *Mary on the Mantle* is also

featured on the Hallow App, along with a TON of wonderful content for kids!

## St. Nicholas Day

Wednesday, December 6, is the feast of St. Nicholas! In certain homes around the world (this happened at my house growing up!), on the night of December 5, children hang their stockings or put out their shoes for St. Nicholas to fill. Read more about St. Nicholas [here](#).

## Santa Land

Santa Land will be offered to all SMS students on the morning of Wednesday, December 6, to coincide with the feast of St. Nicholas! Parents may send in money and a list of people for their child to shop for. Thank you in advance to the parent volunteers who make this possible!

## Picture Retake Day

Didn't like your child's picture or your child was absent on the original Picture Day? Have them retaken on Picture Retake Day: Wednesday, December 6.

## Choir Sings for Young at Heart

Our 3<sup>rd</sup>-7<sup>th</sup> Grade Choir will be singing for our parish's Young at Heart group on Monday, December 11, at 12:30pm.

## Our Lady of Guadalupe

Each class has a patron saint, and 1<sup>st</sup> Grade's patron saint is Our Lady of Guadalupe! Our Lady of Guadalupe is another title for Mary, the Blessed Mother. Just as one person has many names they go by, so does Mary. Our Lady of Guadalupe happens to be my favorite title of Mary. Learn more about this title of Mary, her apparition to St. Juan Diego, and a scientific study of the miraculous tilma imprinted with her image with [this video](#) (it will really blow your mind in the best possible way!) and celebrate with us on Tuesday, December 12.

"Bringing Hope to the Caribbean, Inc. is a Bible based Christian organization created to meet the Spiritual and physical needs of the poverty-stricken people in the Caribbean; specifically focusing on the area of Hispaniola. We provide families in the Dominican Republic with goats, chickens and share the Gospel of Jesus Christ. We also build a relationship with the families and mentor them both on how to raise the goat and the chickens in order that they can create a sustainable income for their family." In order to participate, students and staff need to bring in *at least* \$1 on that day. See our [handbook](#) for what is permissible for Casual for a Cause days.
