### **A Back to School Prayer**

In a season of life when  
parenting decisions  
seem to loom larger than life  
itself, we humbly ask for your  
guidance. While the shoes still  
smell new—and the pencils point  
crisply, our hearts sense the  
need for a stronger connection  
with your love and a deeper  
reliance on your grace.  
Grant this, O Lord, we pray.  
Amen.

## Child Protection and Creating Safe Environments

**Documentation for Safety:** Working alongside the Bishop, the Office for the Protection of Children and Youth reinforces the ongoing implementation of policies and procedures that protect children. All employees, volunteers and clergy in the Diocese of Erie who work with children must undergo criminal record checks. The diocesan Policy for the Protection of Children and Youth screening guidelines and abuse prevention training programs emphasize the importance of knowing the employees and volunteers who have access to children in our schools and parishes. Parents should remain vigilant in insisting that those with access to their children have gone through an application process and obtained the required clearances and trainings before being granted access to their children. Visit <https://www.eriecd.org/childprotection/> to see what documentation and training is required for those who work with children and youth in our parishes/schools/agencies.
