Fr. Ben Daghir's Corner

The fifth indicator of a vibrant parish is under the heading of "Stewardship and Building community."

The Diocese of Erie offers four main points:

1. The parish welcomes new parishioners and invites them to become involved in the parish mission.
2. Parishioners are invited and provided opportunities to better understand their gifts and talents and the ways these can be used to minister to others.
3. Parishioners understand stewardship as a response to their discipleship and give of time, talent, and treasure to support the Church's mission.
4. The parish fosters opportunities for fellowship providing a sense of community for parishioners.

*The first point demands that a vibrant parish brings in new people. It's not just the same group, different weekend.

*The second point accomplishes the first. How can we assist our parishioners in better understanding their gifts and talents?

*Which of these three (time, talent, treasure) is the Lord calling you to give?

*The fourth point means that the sign of peace is not sufficient for the only interactions among parishioners. There have to be more opportunities to engage one another, build friendships, for families to come together, for people of different generations to meet one another, etc. The communities of St. Bernard, St. Marys, St. Michael, Assumption of the Blessed Virgin Mary, and St. Catherine have unique ways of fellowship opportunities. How can these be brought into Holy Spirit Parish?

Weekly Articles From Fr. Ben Daghir

Fr. Ben Daghir will soon have weekly articles published through Substack. His last *GoDuBois* article will be published on Monday, February 5. Fr. Daghir greatly appreciates GoDuBois for publishing his articles for the past 16 months. He enjoyed working with them on a weekly basis.

Fr. Daghir's first Substack article will be published on Thursday, February 15. You can find his column by visiting: <https://frbendaghir.substack.com/>

Once you visit Fr. Daghir's Substack page, you can subscribe to his column "One Thing, Jesus Christ" and articles will automatically be emailed to you weekly. Why is Fr. Daghir switching writing platforms? He answers, "Substack allows for my articles to look like they are in a magazine. I'm amazed at how beautiful articles are on this platform. Most importantly, these articles will continue to be shared on Facebook and other social media platforms while also being directly emailed to subscribers. I've studied Substack closely for a few months now, and it's time to go all in."

February 25, 11:00 a.m. to 3:30 p.m. at Bethany Retreat Center, Frenchville, PA

Are you looking to deepen your spiritual relationship with the Lord? If so, this Lenten retreat may be just what you're looking for. Dr. Jan Satterlee will present prayer as communication with God. She will provide examples of prayer and unpack the three expressions of prayer: vocal, meditative, and contemplative.

Additionally, Dr. Jan will explore The Lord's Prayer. Using the Catechism and Scripture from both the Old and New Testaments, Dr. Jan will discuss the seven petitions, what we are asking for, and why we pray them for everyone and not just for ourselves.

Finally, Dr. Jan will discuss roadblocks to prayer, such as distractions, wandering thoughts, expectations, dryness in prayer, and the darkness of prayer.
