The Holy Spirit Parish website (www.weareholyspirit.com) includes several features to make searching extremely easy. I'd like to discuss a few of these features.

1. By scrolling down on the main page, you will see tabs that say ("New Here?" and "Get Involved" and "Join Us Online" and "How to Give"). By clicking on these tabs, it will take you to a new page. Click on them, check them out, and become more familiar with the website.

2. If you scroll below these tabs on the main page, you will easily find Mass, Reconciliation, and Adoration times. Our geographic location makes this very important. One specific example, we have many visitors from I-80. They need to quickly skim on their iPhones and see exactly where Mass is that day or evening.

3. Below the section concerning Mass, Reconciliation, and Adoration times, you will see Lenten reflections from Bishop Robert Barron.

4. Below the Bishop Barron reflections, you will find an "Events" calendar. This section shows upcoming events. It's clear and easy to use. Simply click on the event to get more information. Or, click the "More Events" link to access the calendar.

5. We've designed this website to always have a "Mass Times & Directions" button on any page of the website. Click the blue button and see how easy it is to access information.
