Your Weekly Offering Electronically

The Catholic Foundation, through the Erie Diocese, has developed a page on its website dedicated to offertory giving. Every parish in our diocese is included on the drop-down menu. This is especially helpful to parishes that do not currently offer online giving. Donations given through this page, designated for each parish, will be distributed to parishes. No administrative fee from the foundation or diocese will be charged to parishes. Please note that the information on the landing page accessible through the diocesan homepage at www.eriecd.org, encourages those who already support their parish electronically to do so, and also presents mailing a check to their parish as an option. To make your offertory through this online page visit: www.cfnwpa.org and click on the COVID-19 tab. I made my donation. It worked very well. God bless & stay safe and well.

Good Shepherd Collection

This weekend all parishes and missions in the Diocese of Erie are taking a special collection to support the needs of our retired Diocesan priests. The Good Shepherd collection will assist those dedicated priests who are retired and in need of supplementary assistance for expenses such as non-insured medical costs, nursing home and long-term care assistance. Your generosity will make a difference in the lives of priests who have served faithfully and your priests serving you now. Your gift will be a "thank you" for their many years of faithful service. Help provide them the same love and generosity they provided for us for generations.

St. Catherine, St. Joseph, and St. Michael Cemeteries

1. Decoration of gravesites is the responsibility of the plot holder, as is the proper care of plants, flowers, monuments, etc. Planting and other decorations which are not properly maintained may be removed or trimmed if the management considers it necessary.
2. No coping, curbing, fencing, hedging, borders or enclosures of any kind are permitted around the plot.
3. The placement of flower vases and ornamental objects and material must be subject to regulation by the management to assure the appearance and proper care of the cemetery. No flower vases, landscaping, or ornamentation of a plot may be installed or undertaken without the permission and supervision of the management. The management will have the right to alter or remove any such installation made without permission which, in its judgment, detracts from the appearance of the cemetery or interferes with its care.
4. The planting of natural flowers and plants will be permitted providing that they be placed immediately adjacent to the existing memorial, that they do not extend more than 6 inches from any side of the same memorial, and that they do not interfere with the ordinary care of the cemetery. The care of these flowers or plants will be the sole responsibility of the plot holder. The management may remove these items when the plants die, become overgrown, or otherwise are unattractive or unsuitable. Although the management will exercise all reasonable care, it cannot be responsible for the accidental damage to such planting during mowing or trimming that is necessary for the care of the cemetery. Artificial decorations will be permitted only at times specified by the management. In general, these times pertain to the mowing season.

Please remove potted plants, flowers, and any objects containing wire, glass, stones or hard fixtures within (2) weeks after Memorial Day as these are dangerous when grass is being mowed and headstones are being trimmed.
