

February offertory envelopes will not be mailed.

Please use one of the options below to make sure you get credit for your donations. These options can be used anytime you may not have a current donation envelope at hand.

- If you have unused donation envelopes from past mailings, please use them. The date listed on the envelope will not matter.
- Place your donation in a regular envelope and either write your **name and address on the outside of the envelope** or place a return address sticker on the envelope. If you remember your envelope number, please list it as well.
- Generic envelopes are now available at the collection bins. Please write your name and address on the envelope.

The following is a CHECKLIST of the envelopes that you would need for the rest of February.
