This fun and meditative responsibility keeps our church looking nice during summer and fall. Watering ends up being for each person, on average, about once a week - or less, depending on the # of committee members. If you are interested, please contact Lisa To at 814-730-3436 or pape-tone@verizon.net.

Child Abuse Prevention Month: National Cyber Tipline: The National Center for Missing and Exploited Children's Cyber Tipline is the nation's centralized reporting system for the online exploitation of children. Anyone can make reports of suspected online enticement of children for sexual acts, molestation, child pornography, child sex tourism, child sex trafficking (includes prostitution), child sextortion and unsolicited obscene materials sent to a child. Misleading domain names, misleading words or digital images on the internet can also be reported to the Cyber Tipline. All tips are reviewed to find a potential location for the reported incident. It is then made available to the appropriate law-enforcement agency for possible investigation. NCMEC provides resources/help in removing an online image. Reports can be made 24/7 online at www.cybertipline.org or by calling (800) 843-5678.
