

**Church Library:** Are you looking for some spiritual reading? Trying to broaden your understanding of our faith? Want to learn more about the great saints? Whatever your need, why not stop in the parish library located in the vestibule of the church and check out the selections?

**Prayer Shawl Ministry:** Prayer Shawls are made to give comfort to anyone suffering from illness or grieving the lost of a loved one. Our Ministry also makes special items to give to those receiving the sacraments of Baptism, First Eucharist and Confirmation. Hats and mittens were made this winter and given to children in our community. If this is a ministry you might be interested in please call the parish office. We welcome new members to our next meeting on July 14th at 3:15pm in Meyer Hall at St Joseph Church.

If you know of someone who would benefit from the comfort of a Prayer Shawl please call the parish office.

**Child Protection and Creating Safe Environments—Teach your child to protect him/herself at home:** We consider our homes to be safe places for our children but, being home alone can pose risks for children. Here are a few tips to teach kids that will help keep them safe when you are not with them at home: Teach children to never answer the door if home alone. Don't tell anyone, on the phone, on social media or while gaming, that your parents are not home. Do not allow friends into the home without the permission of a parent or babysitter. Check in with Mom or Dad at set times during the day. Parents should reinforce the rules each time they leave a child home alone. For additional parent resources visit <https://www.eriecd.org/childprotection/>.
