

SCRIP GIFT CARDS are now available in the parish office. At the present time there is a nice inventory for sale. A percentage of each card sold benefits Saint Joseph Catholic School. When planning your next shopping adventure rather in person or online, remember to purchase Scrip and support Saint Joseph School.

SJCS RUMMAGE SALE: Thank you to all the school families, parishioners and friends who helped to make the rummage sale a big success. We could not have done it without your generous donations of treasures, time and talent. Special thanks to Pat Campbell who was our most valuable volunteer, never missing an hour of set up or sale days!

Catholic Family Perspective

The apostles were probably being practical when they asked Jesus to “dismiss the crowds” so they could go and buy food. Jesus knew there is always enough when we place our trust in the Father, even with 5 Loaves and 2 Fish. Trust is the bridge to miracles.

Marriage Moment

Recreation refreshes our bodies and souls. During these Covid-19 days, however, vacations, sports, and parties have to be rethought. Brainstorm new ways to have fun at home as a couple.

Child Protection and Creating Safe Environments

Documentation for Safety: Working alongside the Bishop, the Office for the Protection of Children and Youth reinforces the ongoing implementation of policies and procedures that protect children. All employees, volunteers and clergy in the Diocese of Erie who work with children must undergo criminal record checks. The diocesan Policy for the Protection of Children and Youth screening guidelines and abuse prevention training programs emphasize the importance of knowing the employees and volunteers who have access to children in our schools and parishes. Parents should remain vigilant in insisting that those with access to their children have gone through an application process and obtained the required clearances and trainings before being granted access to their children. Visit <https://www.eriecd.org/childprotection/> to see what documentation and training is required for those who work with children and youth in our parishes/schools/agencies.
