Child Protection and Creating Safe Environments

Child Abuse Prevention Month— Reporting known or suspected child abuse is everyone's responsibility: It is every adult's moral responsibility to report known or suspected abuse or neglect of a minor to the responsible authorities. Sexual abuse of minors is a pervasive societal problem, and only concerted and sustained efforts by all adults in every segment of society can help to protect children and youth. In the current Pennsylvania state report there were 5,202 substantiated reports of child abuse in Pennsylvania during 2019. 2,087 or 40% of the substantiated reports were for sexual abuse, 1,448 were physical abuse. *To report suspected abuse of a minor, call Childline at 1-800-932-0323 (anytime 24/7). For particular questions on reporting abuse you may call: Cindy Zemcik, Coordinator for the Office for the Protection of Children and Youth in the Diocese of Erie at 814-824-1195.*
