## Easter Sunday

### HOPE RESTORED

Today Christians around the world gather to celebrate the centrality of their faith—that the Lord Jesus suffered, died, and rose from the dead to bring new life to all who believe. What difference can Easter really make in our lives?

Any difference that Easter can bring can be summed up in one word: hope. Picture yourself as one of the followers of Jesus of Nazareth. The one for whom you had given up everything, the one in whom you had placed all your trust, the one who seemed to be the way to freedom from fear—this one had been put to death in the most horrifying way. He was nailed to a cross, and on that cross it seemed that hope itself breathed its last. Have you ever felt that way—that hope had breathed its last? For many who lose a cherished job, a spouse to death or divorce, a child to drug abuse or disease, there just doesn't seem to be any hope remaining. This was the kind of despair that Peter, John, and Mary of Magdala must have been feeling on that first day of the week.

### EASTER: OUR OWN STORY

The Gospel story today is, in a nutshell, the story of our very own lives. It is a story of restored hope. Like those disciples, we must always, when in despair, see and believe that Jesus Christ rose from the dead. When we place our belief in the power of God to raise Jesus from the dead, we also place our belief in the power of God to deliver us from the death of despair, malaise, and hopelessness. This is at the heart of why we come to church this day. We look to the empty tomb to find hope that was lost. It is for this that we raise heart and voice in an endless "Alleluia!"

Dear Friends in Christ:

Easter, 2021! Enjoy the holiday... come to Mass and give thanks to God for His many blessings!! Stop complaining about what you cannot do, and simply enjoy what is possible. There are ice cream stands open with carry out treats to enjoy! There are safe-distancing places for inside eating, entertainment sites for family gatherings. There is a Pandemic, but there are many ways in which family and friends can gather. The Peninsula awaits you! People can enjoy family units, time away, time home reading, making food products, and sharing with close family and friends the community of group.

There are many seats still available in St. Lawrence and St. Philip to pray at Mass, Stations of the Cross, Benediction and other community services. Stop being a slaggard – let your presence be part of our vital life as people of faith. If you are not well, if you truly cannot come together for prayer, then enjoy the live-streamed services as best as possible! However, there are many who could come together but have enjoyed the recent rules relaxation and stayed home, sipping coffee and watched Mass as a distant observer.

Easter is a participation celebration! Jesus is RISEN! This changes everything! Satan enjoys our distancing, fragmenting. He takes advantage of our weaknesses, our fragmentation. Stand strong, don't give Satan the satisfaction of dividing our family of faith!

Pray with the spirit of being a Disciple of Christ! You have something to offer. You have a witness to give. Happy Easter. This is the day the Lord has made, Let us be happy and enjoy it!!

Fr. Jim
