From the
Pastor's Desk

Dear Friends in Christ:

Even as the world suffers with Pandemic, there are amazing achievements for us to celebrate! A week ago, NASA launched a successful explorer to Mars with a payload of ground rover and specialized helicopter to study the planet more extensively. Last Sunday, Space X successfully returned to earth with the first splashdown landing in 19 years after a two month connection with the International Space Station! Progress in exploring the Solar System with the likely intention of one day inhabiting additional planets is a very exciting venture. Humankind is making dramatic achievements with scientific learning and application. In just such a dedicated manner, true medical science will overcome novel-Covid-virus as well. In the meanwhile, we don't have to be 'rocket scientists' to do the right thing and practice safe distancing and wear protective masks to break the chain of viral contagion – sound medical science recommendations!

Peter learned a special lesson in today's Gospel narrative: It's easier to walk on water when we are 'in step with Jesus' than when we go out on our own!

Fr. Jim

Please show your support by purchasing some tickets!

Saint Lawrence, died in 258 in Rome.
His feast day is August 10.
He was one of the most
venerated Roman martyrs,
celebrated for his Christian valor.
He is the patron saint
of the poor and of cooks.
It is said that Lawrence gave the
church's treasures to the poor and the
sick before his arrest.

The Plastic Recycling Project sponsored by The Knights of Columbus,
and headed up by Greg Petrus, has received two more benches.
The Knights donated the concrete for the headers, and with the help of Steven McNally,
who poured the concrete, these benches were placed in the St. James Cemetery
in front of the Chapel. One bench was sponsored by The Knights,
and the other by St. Philip, and St. Lawrence Rosary Societies.

Thank you to everyone for donating your plastic.
Because of you, we are able to receive these wonderful benches!

Take a drive to St. James Cemetery and see how beautiful they look!
