Thank you to all the parishioners who made the trip into Erie last Sunday for the Eucharistic procession. There were over 300 people who participated in the procession. You made me so proud when I saw so many people from our parish in attendance. I just want you to know that your deep faith inspires me to be a better priest. Thank you for being yourselves and not afraid to live out your faith.

Congratulations to Chuck McGraw who was fully initiated into the Catholic Church this past week. After attending weekly Mass with his wife Elaine, Chuck felt the nudge of the Holy Spirit pointing him to the Catholic Church. Isn't it amazing how God works? Chuck, thank you for saying yes and welcome to the Church.

Just a reminder that Mass on Monday, July 4 will be at St. James Cemetery Chapel at 10:00 am. We had over 40 people in attendance at our Memorial Day Mass. Please make Mass on the Fourth of July part of your holiday plans. There is no better way to give thanks to Almighty God as a country for our independence and freedom. I look forward to seeing you there. Let's see if we can fill the chapel!

Good news, we do not need a new roof on St. Lawrence Church! We were told that we only need some patching. We still have not received a price for the patching, but once we receive it I will pass it on.

This weekend we welcome Fr. Michael Kesicki to our parish. Please take time to thank him and welcome him to our parish. I am in Boston for a family wedding. I will be back this afternoon (Sunday) and ready for Mass on Monday morning.

He who kneels before God  
can stand before anyone.

June 26, 2022

This week we officially start the summer season. The cool, rainy weather of the spring is finally behind us. As a result, those in school are off for the summer with less structured days. Also, the days are longer, with sunshine well past 8:00 pm, which should provide more time to get outdoors after work.

The summer provides the opportunity to engage in a lot more outdoor activities like biking, camping, fishing, canoeing, boating, picnics, and evening walks with the dog. There are so many more reasons to get outside and be more active after spending the winter and early spring indoors. Also, getting outdoors is a great way to unplug from the computer, Internet, TV, or video games. So hopefully, you will find time to get away on a family vacation and spend some time away from your regular routine.

Going outdoors has always helped me reflect more on God's amazing creations outside the door. In addition, it allows us to focus on the simple things that often go unnoticed. I fondly remember a summer canoe trip on the Allegheny River where the morning brought a light mist on the water with only the rippling water and a chorus of bird songs.

If you work outside in farming or construction, your workday may be busier than in the fall, winter, or spring. But you can still enjoy the wonders of life created by God.

Here is a prayer from Xavier University that captures the joys of summer:

*Father, Creator of all, thank You for summer!  
Thank you for the warmth of the sun  
and the increased daylight.  
Thank You for the beauty I see all around me  
and for the opportunity to be outside and enjoy Your creation.  
Thank You for the increased time I have to be with my friends and family,  
and for the more casual pace of the summer season.  
Draw me closer to You this summer.  
Teach me how I can pray  
no matter where I am or what I am doing.  
Warm my soul with the awareness of Your presence  
and light my path with Your Word and Counsel.  
As I enjoy Your creation, create in me  
a pure heart and a hunger and a thirst for You.*
