From the
Pastor's Desk

Dear Friends in Christ,

We have confidence in Jesus Christ, King of the Universe. It's a broad title of Jesus' power and authority. He is above all, beneath all and surrounding all other titles and empowerments. While the title is time sensitive according to the images of the first century, the intent in universal, Jesus' holistic thinking is evident, and there is no one but Jesus at the top.

Jesus is conceived as being all in all. At the end time, Jesus alone will be presented as Lord, King of all. You and I will be presented as being subservient to Him alone!

A new relationship will be presented wherein all powers that are, will be presented, rightly so, as being subservient to Jesus. And you and I will be subordinate to Him alone. I realize this is a medieval imagery that precedes modern imagery, but you get the point. There is no one but Jesus in control of reality, across all cultures and time. It will be super simple and we all will know our place and be happy in it!

Fr. Jim

Solemnity of Christ the King

This week is the last Sunday of the liturgical year, which the Church celebrates as the Solemnity of Christ the King. Pope Pius XI instituted this feast in 1925 with his encyclical *Quas Primas* ("In the first"). Initially, it was celebrated on the last Sunday in October. Although, Pope Paul VI eventually moved it to the last Sunday of Ordinary Time in 1969.

In the early part of the 20th century, Pope Pius XI saw an increase in nationalism and secularism. In response, his encyclical reminds the faithful that governments and philosophies are temporary, but Christ reigns as king forever.

The United States Conference of Catholic Bishops (USCCB) reflects on Christ's reign in the Kingdom of God in three areas:

The Kingdom is Holistic

"Secularism divides our public selves from our private selves. When governments limit the rights of religious ministries, secularists claim that religious freedom is not harmed because we still have freedom of worship – we are free in private but not in public. But the kingdom of God calls us to a whole life of worship and service in the public square. We cannot worship on Sunday and then deny Christ's teaching in the way we run our ministries throughout the week.

Nationalism, on the other hand, divides our loyalties. It is good to love one's country, but ultimate loyalty is due only to Christ and his kingdom. Ideologies that ask us to put our nation above Christ and his Church are incompatible with service to the kingdom."

The Kingdom Demands Discipleship

"We must work every day, with the help of the Holy Spirit, to draw closer to Jesus. In our own increasingly "post-Christian" society, we cannot be complacent in our spiritual lives. To acknowledge the kingship of Christ means that we should dedicate ourselves to prayer, to building up our families and our parish communities, and to bringing healing to a broken world."

The Kingdom is Humble

"Jesus inaugurates a kingdom that grows through humble acts of service. Even as her freedom to carry out her ministries is threatened, the Church must patiently continue to serve the poor, educate the young, welcome the migrant, visit the prisoner, heal the sick, bury the dead, and love others."

Throughout, this week we should take some time to reflect on Christ who should be the King of every aspect of our lives
