**THE NEIGHBORHOOD SHACK**

Several years ago, a friend and I were walking through our neighborhood. One particular house in the neighborhood of neatly trimmed front yards and well-kept homes really stood out. In reality this house was a dilapidated shack. As we walked by, a woman from the neighborhood, someone we had never met, asked us if we could assist the couple who lived in this house. We agreed and were led to the rear of the house where we found the couple. They were quite elderly and obviously intoxicated. The man was yelling at his wife and berating her for having left the keys in the locked house. We asked if we could help and were told that there was a window in the front of the house that was unlocked. We got an old chair and positioned it under the window. When we opened the window, the stench that hit us was astounding. We were able to help the man into the open window, since he would not allow us in. He opened the front door, let his wife in, slammed the door shut, and closed the open window.

**IS YOUR CATHOLIC “SHOWING”?**

We asked the neighbor if she knew of anyone, a friend or relative, whom we could call to get these people some help. I will never forget her answer. She simply said, “What church do you two guys go to?” Was our Catholic “showing” that much? Each time I hear the parable of the Good Samaritan I think of this experience. We are all called to give assistance to those in need. I never realized it until that moment, but when we do so, our actions really do say something to those around us. Let’s take the time today to ask God to strengthen us in our efforts to help the poor and needy.

From the  
Pastor's Desk

Dear Friends in Christ:

Jesus was asked by a lawyer what must a person do to gain eternal life. Jesus' answer didn't fall into the trap of imposing Law or threatening with imprisonment or fines, and thus he derailed the Lawyer's tendency to "haggle about legal details." Jesus reminded the Lawyer of the command to love God and neighbor – have compassion at every opportunity to express it! Begin the experience of Heaven while on earth.

Are there clear moments in our lives in which we can genuinely express a depth of caring and concern for the struggle of people around us? Can we recognize God's spirit in the hearts and lives of others? Can we embrace his encouragement to love through service? Do we spend time in regular, personal prayer for others?

A minister once said: "There are no good people in heaven!" What?! "There are no good people in heaven! Heaven, he continued is filled with Redeemed People!" We are not perfect and cannot be perfect in this world. But we can love with compassion, forgive with generosity and reach out with compassion to bring healing and comfort to others every single day! Let's DO it!

OH NO! Things truly do not last forever. The Hobart refrigeration unit in the kitchen at St. Lawrence Center is done. It stopped holding a cold enough temperature, required by state regulations, over a week ago. A technician was call to have it checked to see if it could be repaired. No such luck.

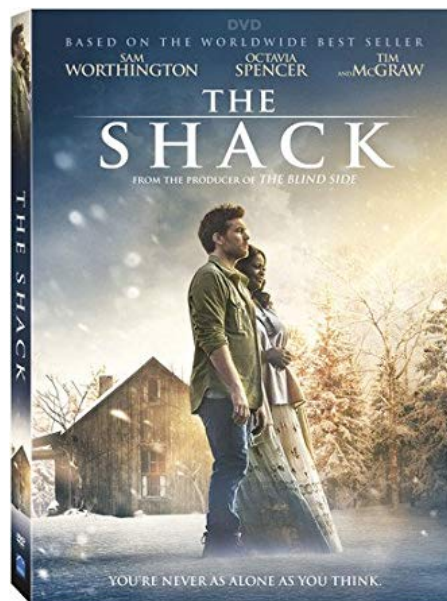

The unit was manufactured 31 years ago and the parts needed are no longer available. A new unit has been ordered and should arrive some time this week.
