YOU WILL FIND REST

The promise of Jesus is good news indeed. God has hidden the knowledge of the reign of God from the learned and the wise, those who say that the poor are responsible for their own plight, and that nothing can be done for them. Jesus turns such human wisdom on its head, proclaiming instead that God works differently. We are poor in spirit if we follow Jesus in lifting the yoke of the law and slavery to the flesh, freeing the burdened of their crushing load. It may cost our economy some of its profits, but we can believe that our burdens will also be lifted and our work made light. What seems impossible to the learned is known to the humble. When we rest in Christ, laying down the burden of our preoccupation with "things," we can rejoice with all people at the coming of our meek and humble Lord, who brings holy rest to an anxious and materialistic world.

Dear Friends in Christ:

Fourth of July Weekend really sounds like a great 'let your hair down' time of celebration. Remember Labor Day Weekend festivities led to a spike in Coronavirus' contagion because people made poor choices. The virus does not 'take a vacation!' Use common sense, follow protocols with face coverings, sanitation and distancing.

What we are celebrating is the ideal of freedom. What we are struggling from is the tradition of our country's history of freedom denial for African Americans, Asian, Italians, Irish and other groups of people who fall into convenient categories that mark them as being 'different' from the 'in-crowd-White Supremacist' bullies. College fraternity and sororities haze incoming plebes, but they have a time of 'redemption' and 'full acceptance' after 'hell week's painful initiation.' Apprenticeship programs 'temper' the neophyte into a sense of submission to the 'master craftsmen' before being accepted into the 'fraternity' of craftsmen benefits. The point is, submission through humility and acceptance of the hierarchy of achievement is an initiation process. This works traditionally, and productively but slavery never does!

We made a 'declaration of freedom' and then had to win the Revolutionary War to achieve it! Thousands of lives were lost in the process. Our history then cites that we turned around and imposed not only symbolic oppressive taxation on another group, but outright slavery and total dominance and oppression over them for economic gain for ourselves. It was morally wrong at that time and all the other times people have compromised the human dignity of others to suit themselves. Abuse involved subservience, obsequiousness, sexual targeting, dehumanizing punishment and psychological destruction.

THIS 4th of July, we have to become the liberators! We have to free ourselves from constricted thinking and recognize EACH person as being a gift from God, created to be free and have a real personal value as a human being! We have to stop making excuses for past generations of wrongdoing and trying to escape ourselves from perpetuating the 'stinking thinking' that justifies continued abuse of others with name calling, targeting for racial slurs, or worse. Let the July 4, 1776 Declaration of Freedom come true in fact July 4, 2020 for all people.

Fr. Jim

St. Lawrence Bingo

"DON'T WORRY, BE HAPPY"

SUPPORT STAFF DEVELOPMENT

To restart Bingo, with new protocols for contagion protection, we need a minimum of 5 additional volunteers. I would like to have 2 teams so that they can take turns working every other or every 3rd weeks instead of every Monday night. In addition, with necessary 'distancing' we may have to extend playing to 3 classrooms in addition to the hall. This requires an additional attendant for each room to monitor and confirm Bingos. So, please help us to welcome 8 additional team members in all. High School Juniors and Seniors are welcome to earn 'service hours' and Concession food as well.
