**THE GOOD SHEPHERD**

God created us in all our uniqueness. We are God's own, and God loves each of us. God has given us the Son, the Good Shepherd. We are awash in the love of God; it washed over us in baptism, and washes over us every day of our lives. The Good Shepherd is always calling to us, inviting us to follow. Because we are each unique, however, the time and the way that each of us hears and responds to the mystery of salvation will differ. Even more wonderfully, God's love for humankind is so great that we have to trust that every soul on earth will eventually hear the message of love and salvation. This is God's will, and it will be done in the time and way of God's choosing. Our task is to spread the message, using the different gifts God has given each of us, knowing that no soul on earth can ever be taken from God's hand.

**From the  
Pastor's Desk**

“Happy Mothers’ Day” is a familiar expression that highlights our national ‘Mothers’ Day’ holiday. As Catholics, we give great thanks to all women who bring life into our world, nurture that life and prepare those person to live autonomous, adult lives and contribute to the family and culture and next generation.

We also attribute to Mary, the Mother of Jesus, titles such as “other of the Church,” “Mother of the Faith,” “Spiritual mother” and “Mary, Full of Grace.” These are certainly sentimental titles, and rightfully so. By and large, children gather lovingly around their mothers, anticipating warm hugs, delicious treats, and deep encouragement to become all they can be. “Make us proud!”

Besides buying a carnation to place in a vase, take time today to simply say “Thank You, Mom” for bringing me into this world. “I hope I make you proud by working productively, living my faith, and taking responsibility for honoring the life you shared with me by living up to my highest potentials.”

***Congratulations** to Northwestern High School's performance group's production of “Little Women!” Clearly, you worked very hard to present that ‘sensitive’ story as well as you did. The play addresses family relations, national crises effects on family members, cultural changes and intergenerational consequences.*

**Recycling Program  
Sponsored by  
The Knights of Columbus**

You have donated enough plastic bags that the first bench has been ordered! If you wanted to purchase one of these benches from Trex it would be a purchase of over \$500. This program only allows for a group to receive a bench every 6 months. Because we have collected so much plastic and see little sign of it slowing down another group from the parish, St. Philip Altar Rosary Society, will add their name as a group collecting plastic bags. This will allow us to continue this program and collect toward another bench sooner.

Thank you for all of your recycling efforts, keep up the good work. The Knight of Columbus will be putting the first bench near the Chapel at St. James Cemetery.
