## THE MOST HOLY TRINITY

*The doctrine of the Trinity is the best way we have of making sense of the account of God as found in the Scriptures. It is the best way to do justice to the totality of the information that is in the Bible. So we affirm it and we defend it, because that seems to be how Scripture, and the Spirit, are leading us. Besides .... what would we do without The Creed, The Sign of the Cross and the Glory Be prayer?*

## NEXT WEEKEND: FEAST OF CORPUS CHRISTI,

also called Solemnity of the Most Holy Body and Blood of

Christ, festival of the Roman Catholic Church in honor of the real presence of the body of Jesus Christ in the Eucharist.

## BREAD FOR THE WORLD

### LETTER WRITING

**THIS WEEKEND, JUNE 11-12,**

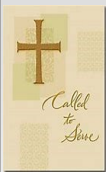

*Petitions and sample letters for our representatives and congressmen will be available in the gathering space. Please stop by our table and do your part. We will be writing to Congress representatives regarding*

### NATIONAL HUNGER:

More than 12 million children in the United States are not getting enough food. We will be asking them to do things like expanding free school meals through the Community Eligibility Provision Program and extend it through the summer nationwide. You have an opportunity to write to Congress representatives about WORLD HUNGER, as well. There are 811 million people worldwide that lack sufficient food. We will be asking Congress to cosponsor Global Malnutrition Prevention and Treatment Act, and to increase global nutrition funding. These issues will escalate as the war in Ukraine continues. Grain prices will rise as much as 50% in some countries because Russia and Ukraine account for more than 25% of the world's exported wheat.
