## JAN. 1, 2023 MARY, MOTHER OF GOD FEAST DAY

*Mary, Mother of God is a special High Feast day honoring Mary's special place as the Mother of us all.*

Mary's divine motherhood broadens the Christmas spotlight. Mary has an important role to play in the Incarnation of the Second Person of the Blessed Trinity. She consents to God's invitation conveyed by the angel (Luke 1:26-38).

Elizabeth proclaims: "Most blessed are you among women and blessed is the fruit of your womb. And how does this happen to me, that the mother of my Lord should come to me?"

(Luke 1:42-43, emphasis added).

Mary's role as mother of God places her in a unique position in God's redemptive plan.
