**REST IN PEACE**

Please pray for the repose of the souls of Michael Sapala and Peg Cheuka, wife of Joe Cheuka. May their souls and the souls of all the faithful departed through the mercy of God rest in peace.

**USING OUR TIME WISELY**

A jar of honey lasts practically forever. The oldest jar of honey ever discovered was over five thousand years old. Honey is quite different from market-fresh produce, then; because most fruits and vegetables last only a few days, we treat them carefully. At this time of summer, we rush to find recipes for cherries and cucumbers so we won't waste a single one. We wouldn't feel that same urgency about honey.

In our own way, we are as delightful and fragile as ripe produce. Today's readings urge us not to spoil, but to make good use of our limited time on earth. Ecclesiastes reminds us that because God provides for us now and always, we can manage our daily affairs without anxiety. Saint Paul encourages the Colossians to keep thoughts of heaven in everything they do, and Jesus himself asks us to treasure not earthly wealth, but God alone. Copyright © J. S. Paluch Co.

**CHURCH IN LATIN AMERICA**

Next week, we will take up the Collection for the Church in Latin America. For many in Latin America and the Caribbean, rural terrain and a lack of ministers are obstacles to practicing their faith. Your support to this collection provides lay leadership training, catechesis, priestly and religious formation, as well as other programs to help share our faith with those who long to hear the Good News of Christ. Your gift will certainly make a difference!
