Office of the Bishop

August 30, 2021

Dear Brothers and Sisters in Christ,

I ask for your support of the Catholic Education Collection being held the weekend of September 18-19.

This annual second collection supports lifelong education and faith formation opportunities throughout our diocese. Half of the funds raised from this collection remain in your parish to support your local education and faith formation programs. The other half provides funds for ministry and leadership training, technology support, creative projects in faith formation, as well as tuition assistance for families attending Catholic schools. A small portion also supports The Catholic University of America.

Thank you for your generous support of this collection. Contributions can be made directly at your parish or online at www.ErieRCD.org/Catholic-EducationCollection.html.

Be assured of my prayers for you and your family. With every best wish, I remain,

Sincerely yours in Christ,

+ Lawrence J. Persico

CHILD PROTECTION AND CREATING SAFE ENVIRONMENTS

Diocesan Child Protection Policies: The Diocese of Erie, along with all other dioceses in the United States, has policies and procedures in place to address the national problem of child abuse and to aid in maintaining safe environments. The three main components of the Policy for the Protection of Children are: screening of all employees and volunteers who work with minors, training of all youth, parents, employees and volunteers, and reporting all suspected child abuse. The diocese is committed to promptly reporting any suspected child abuse directly to ChildLine or law enforcement. The diocese requires on-going screening and training of all personnel, paid or unpaid, who have regular contact with our children and youth under the age of 18. The diocese also requires yearly safe environment training of our children, youth and parents regarding touching-safety and safe environments. Visit <https://www.eriegcd.org/childprotection/> to read the policy and learn what the diocese requires for all personnel who work with children and youth in parishes/schools/agencies.

If commitment is the choice we make to give up other choices, then it is about "losing ourselves". If we try to be independent from others by "saving ourselves", we end up lonely and alone. Happiness is found in commitments. The gospel is true: We save our life by losing it!
