Do you ever get stuck in an argument? Of course we know that there are two sides to every argument but practicing this truism can be difficult. Next time you reach an impasse discipline yourselves to try to state each other's side as neutrally as you can.

Today's gospel speaks of light and darkness. Often a parent is deliberately "left in the dark." Darkness can be comforting for it makes no demands on us. Light can be

disturbing for it forces us to take action. Parents walk a delicate balance of when to "sit in the dark" and when to "turn on the lights."
