 In today's gospel Jesus teaches we will find abundance by sharing what little we have. No matter how little time, money or food we have, it is enough when shared.

 "Give them some food." (Luke 9:13) As spouses we give our bodies to each other in joy and share each other's pain when sickness strikes. Taking care of each other's body is part of being married. Sometimes this means meeting physical needs like food and other times it's emotional comfort. Feed each other today.

 "Though God made us good, God also made us free. It is the abuse of our freedom that brings sin and evil in the world."
