 "Believe that you are never alone, and most of all, that you are loved".

Kevin Matthews

 In today's gospel the rich man died and was condemned to "a place of torment" because he ignored the poor. He asked Lazarus to go and warn his five brothers to change their ways. Evidently ignoring the poor was a family pattern. What is your family's attitude toward those who are poor?

 Wonder how to protect your child from being vulnerable to manipulation or abuse by bullies? There's no magic vaccine but a child who knows they are unconditionally loved and respected by their parent(s) is inclined to accept their own worth and not depend on validation from others.

**Attention:** If anyone knows of anyone removing dirt from the grave of someone that has just been laid to rest, please inform them that it is **not permitted**. The dirt needs to settle. No one should be doing anything to the graves except our maintenance man. If you do see someone, please get their name and phone number and let the office or Father Chris know.
