The 2018 Catholic Education Collection will take place this weekend. This important collection supports lifelong faith formation for all generations throughout our diocese. Please give generously and know that half of what you give will remain here at St. Philip and St. Peter parishes to support our own religious education and faith formation programs.

Attention: We need a group of ladies and/or men from St. Philip Church that would wash the windows in the Church and gathering space. The side windows outside the front door, parking lot side, and out from the gathering space sure need attention. It takes some tall people to wash them. There are spider webs that need taken down too. It's late in the year, but the summer heat wouldn't have been the best time to do it. If there is anyone interested, please call the office, 814-683-5313. It would be good to get a few of you

Attention Families: Need some ideas to help your family along the journey of life? Visit the Families Always Matter website, www.ErieRCD.org/fam.htm, to find information/ideas for traditional, single-parent, blended, military, and adoptive/foster families. At the Diocese of Erie, families always matter! Go Families!

“What lies behind us and what lies before us are small matters compared to what lies within us”

St. Peter & St. Philip Parishioners Please bring a sweater or a light jacket to Church while the A/C is running if you are too cold while in the Church. It gets very warm in there for a lot of people, especially when there are a lot of bodies in there.

Openings remain for NOVA, scheduled for Saturday, **October 6th** in Erie at St. Mark the Evangelist Parish in Lawrence Park. Nova is a one-day premarital program designed for couples seeking remarriage or convalidation in the Catholic Church. Topics covered include communication, blending families, legal issues and others. Call the Family Life Office at 814/824-1265 or by email at: familylife@erieRCD.org to register.

Research studies show that men who kiss their wives before leaving in the morning live 5 years longer than those who don't. Don't want to be a widower? Remember this. Although I haven't done the research, I suppose this works in the reverse too (wives kissing their husbands before leaving).

If commitment is the choice we make to give up other choices, then it is about “losing ourselves”. If we try to be independent from others by “saving ourselves”, we end up lonely and alone. Happiness is found in commitments. The gospel is true: We save our life by losing it!
