It's almost here. Perhaps your tradition is to decorate the tree or open presents on Christmas Eve. Keep the focus on your love for each other, not on whether everything will go right. Sometimes the best Christmas stories are about fiascos.

Mary was excited about her first pregnancy and rushed to tell her cousin. Sadly children are often seen as a liability, “another mouth to feed” or an “obstacle to my career.” It is said “Christmas is for children.” It is more accurate to say “Christmas is for adults to appreciate the gift of children!”

Thank you to the ones that have helped me throughout the past year. I couldn’t have done it without you. You make my job easier. Have a very Blessed Christmas and New Year.
