Our 2nd Fish Fry totaled 172 dinners served. Rich Janisin from St. Philip, won the 50/50; he received \$83. Please come out and help us make the next one as successful.

The K. of C. Council 6037 is humbled that Bishop Persico will celebrate Mass in recognition of our 50 years of faithful support of St. Philip & Our Lady Queen of America's (OLQA), as well as our countless community endeavors. Since it has been over four years since the Bishop has been in either of our Churches, we Knights would be honored if you also could attend Mass at 5:00p.m. on March 10th at OLQA in Conneaut Lake.

If any one would like to be registered in either Parish, please do so. You **don't need** to receive envelopes in order to register. We would like to get an **accurate account** of who is in either Parish. If you know of anyone who has **moved out** of our Parish, or if any of your information has **changed**, please let the office know.

Do you ever get stuck in an argument? Of course we know that there are two sides to every argument but practicing this truism can be difficult. Next time you reach an impasse discipline yourselves to try to state each other's side as neutrally as you can.

**March 18th:** Chicken & Biscuit Dinner @ St. Peter Church, from 11:00a.m. until 2:00p.m. More details will be in next week's bulletin.

**St. Philip** is having a discussion on The Whole Truth of the Catholic Church and the Bible. It will be every Tuesday during Lent beginning at 10a.m. in the quilting room. There will be a discussion on Church history and the bible.

**Eucharistic Adoration help needed:** Substitutes needed. Please contact Amanda @ 814-683-5794 or [davisald@hotmail.com](mailto:davisald@hotmail.com) if you would like to become a substitute.

**Monsignor Toland Park:** If you are interested in holding an event at Toland Park this year, call Tom Mailliard, 814.382.1257 to make your reservation.

Today's gospel speaks of light and darkness. Often a parent is deliberately "left in the dark." Darkness can be comforting for it makes no demands on us. Light can be disturbing for it forces us to take action. Parents walk a delicate balance of when to "sit in the dark" and when to "turn on the lights."

'God, come to my assistance; Lord, make haste to help me.'
