Twenty-Second Sunday in Ordinary Time

Oftentimes people perceive laws as restrictions: "There's a law against that! Don't break the law! The law will be after you!" In the Book of Deuteronomy from which today's first reading is taken, the Law was understood to provide guidelines for how to live well in relationships with God, others, and the physical world. The scribes and the Pharisees in the gospel were proud observers of the Law, however, they considered the letter of the law but not the intent. Jesus rebuked them for their practices and traditions in the observance of the Law by quoting Isaiah: "This people honors me with their lips, but their hearts are far from me..." What Jesus wanted the Pharisees and all of us at Our Lady of Fatima Chapel and Saint Teresa Church to consider, is how to live a life with external demands and commands balanced by internal loving and compassionate motivations. Our actions must reflect the faith we proclaim; words are not enough. Religion is more than attending Mass on Sunday, receiving the Eucharist, and supporting the Church. We must be Church to others, offering assistance to the needy and helpless. The tradition of our faith is most clearly demonstrated in our treatment of people.

Our practices and behavior must reflect Jesus Christ's law of love.

WEEKLY OFFERING The collection of Sunday, August 22, was \$518.00 and included \$320.00 in 15 adult envelopes, and \$198.00 in loose money. The Chapel is grateful for your contributions that support the work of God in this faith community.

MEMORIAL Virginia Poninsky, a deceased lake resident and St. Teresa parish member, will be remembered this coming Saturday, September 4, at the 4:30PM Mass at St. Teresa Church. Virginia died in May and her funeral and committal took place in Leetsdale, PA. After the St. Teresa Church liturgy on Saturday, there will be a gathering at the large group room in the Center after the liturgy. All family, parish friends, and neighbors of Virginia are welcome to attend.

SEASONAL CLOSING Please be aware that next Sunday, September 5, will be the last Mass of the season at Our Lady of Fatima Chapel. Labor Day weekend is the end of the summer season at the lake. Many thanks to all who have attended Chapel liturgies. It is wonderful to be joined by seasonal members and visitors throughout the summer, and celebrate the Eucharist together with full time parishioners. We also appreciate the financial support that the Chapel has received. Although we close through fall and winter, the heat and electricity is on to maintain the integrity of the buildings and have them accessible for special liturgies if needed. Therefore, Chapel expenses continue even when the church is closed. Through your donations you help to maintain the facilities so that they will be available next year when everyone will return for the summer season of 2022. God bless you all!

*All good giving and every perfect
gift is from above*

A Family Perspective Deafness abounds not only when we cannot hear, but when we refuse to listen. Before Jesus can enter your home and heal, you must first recognize your deafness. Have trouble speaking your thoughts? Try choosing loving words, even if the message might be a difficult one to say. All things said in love are easier to hear and accept.

Masses for our deceased loved ones: The Church teaches us to pray for the dead that they may live eternally in the presence of God. There is no greater prayer than the holy sacrifice of the Mass. If you wish to have a memorial Mass said, please place your request in the collection basket, and include your name and contact information and the name(s) of the deceased. If you wish, you may request a specific date and time for the Mass; however, please be aware that the date and time you request may already be filled, in which case the Mass will be scheduled as close as possible to your request. Alternatively, you may contact Natalie Wilmoth directly at 814-397-4933 to arrange a specific schedule. The normal donation of \$10 should also be placed in the envelope with your request.

Parenting Pointers Clutter can be toys, papers, or many misc. items left on the floor or table. But clutter can also be noise. Think TV, videos, crying, complaining. Try treating your family to a moment, a minute, an hour of quiet. Agree to do it all at the same time. See what happens.

The **2021-22 RCIA Program**, which instructs and initiates non-Catholic Christians and non-Christians into the fullness of the Catholic Church, begins this year with an orientation meeting on September 2 from 6:30-8:30pm in the conference room of St. Thomas Rectory. If you, or anyone you know, is interested in this instructional time, please contact Fr. Skip through the parish office, 814-663-3041, ASAP, and he will be glad to provide the details. Hope to see a few of you join us this year! God bless . . .

The Scripture Discussion Group will meet each Wednesday from 1:00 to 2:00 starting September 8th in the St. Teresa Center. The Sunday Mass Scripture readings are discussed to indicate the many ways they apply to our lives. All are welcome to join in the lively discussion.

Adoration of The Blessed Sacrament scheduled for Friday, September 3rd has been cancelled for this month. It will be held again on Friday, October 1st.

You disregard God's commandment but cling to human tradition (Mark 7:8)

Given their strict attention to hand washing, these Pharisees and scribes would probably feel right at home in our pandemic-conscious world! Of course, they were concerned about religious purity, not personal hygiene, but we can all relate to how meticulous they were.

Still, Jesus rightly called their purity practices what they were; "human tradition" (Mark 7:8). Nowhere in Scripture does God command His people to be so rigorous in cleansing themselves or their household items. Instead, what began as a precaution among priests gradually morphed into a litmus test for every Israelite. If you didn't wash your hands just so, you were impure. It meant your faith was defective – or worse, you were defective.

Litmus tests can make things clear and simple, but the Pharisees were using them in the wrong way. To determine what was pure and impure, they needed to focus on what was lurking in their own hearts, not what was contaminating them from the outside. As Jesus warned them, it is "the things that come out from within" – our own sinful inclinations – that defile us (Mark 7:15).

Our rules for hand washing today are aimed toward preventing disease, but we can easily fall into the same habit as these Pharisees did. We can focus more on what's on the "outside" – the culture or the actions of other people – rather than facing the sinful desires in our hearts. After all, it's painful to see just how capable we are of falling into sin. It's easier just to apply a litmus test to the sins of the people around us.

Jesus came to save us from sin, and we can count on Him to give us the grace to deal with whatever is "within" us. Today, ask the Lord to search your heart. Ask Him to help you see ways in which you are susceptible to sin – an ask Him to keep cleansing you.

"Jesus, purify my heart today"
